Re: Letter for confirmation of reason to travel

Please be advised that the employee who holds this letter is a key worker who works for the Qualasept Pharmaxo Holdings Ltd group which consists of three vital companies:

Bath ASU
Pharmaxo
Microgenetics

They should have an ID card showing their name and one of the logos on this letter.

Our team need to travel to and from our base in Corsham so we can continue to make and supply medicines for the NHS in this critical time.

Please do not hesitate to contact me should you require any further information.

Yours faithfully,
